

`<p>This is some bold text.</p> <p style="margin-top: 1em">More text.</p>`

`<p>These are some <i>italic</i> paragraphs of text.</p> <p>More text.</p>`

The lines will match up

just until a word is
inserted and then the
lines will stop matching
until the end of the
paragraph.

But when a new paragraph
starts things are OK.

The lines will match up

just until a ridiculous
word is inserted and
then the lines will stop
matching until the end
of the paragraph.

But when a new paragraph
starts things are OK.

just
until
a

word
is
inserted
and
then

just
until
a

ridiculous
word
is
inserted
and
then
